The Committee has done well for the significant reduction in loss this year and in fact generating a cash profit of Rs.6,87,90,080/- this year, which has been the result of tapping avenues of increasing income like bookmakers fees, mobile badges, lawn hire etc. and constant endeavor to keep costs under control, despite loss of inter venue betting by non-holding of races by Bangalore Turf Club Ltd (BTC) for 4 months in the current financial year and reduced royalty income.
- (b) The Committee refers to item no. (i) of the Auditors Report and would like to inform that as stated in note 45 of Notes forming part of the financial statements the Club is confident of receiving refund of the differential Goods and Service tax (GST) paid under protest and accordingly the said amount is included under "Long term Loans and Advances".

#### Efforts to improve finances of the Club:

Your Committee has continued to take various steps to improve its finances which includes improvement in income and reduction in expenditure and improved cash flow management. The Club's revenues have increased with rationalisation / increase in bookmakers stall fees, gate receipts and increased mobile phone badge charges due to introduction of premium mobile badges as well as increased usage of mobile among general public due to reduction in mobile phone badge fees. Further, there was significant increase in lawn hire / events revenue / banqueting with the opening up of banqueting facilities in the Mini Club House / Hooves area. Helipad revenue has also gone up. The Club has also reduced the fixed expenditure under various heads most prominent being repairs & maintenance, telephones, power, travelling, security, and finance costs without affecting the business operations.

### 4. Totalizators Turnover (including Fixed Odds Betting) and Bookmakers Field Money:

The tote investment during the year under review (inclusive of charity days), was Rs.102.67 crores over 339 meetings of live racing and inter-venue betting (including Fixed Odds Betting over 249 meetings) as against Rs. 84.62 crores in previous year over 369 meetings (including Fixed Odds Betting over 263 meetings). The total bookmaker's field money for the year under review was Rs.32.21 crores over 339 meetings as against Rs.34.78 crores in previous year over 369 meetings (live racing and inter-venue betting).

### 5. Off Course Betting Centres (OCBCs):

The Club was making losses in most of the Off-Course Betting Centres It was therefore decided to close down the OCBCs and this closure was completed in January 2018.

#### 6. Attendance:

The total attendance during the year under review (for live and inter-venue days) was 1109943 for 339 meetings as against 1109059 for 369 meetings in the previous period. Betting taken on two racing centres on the same day, is counted as one day.

### 7. State and Municipal Taxes / Fees:

- a. The total amount accruing to the government by way of Racing licence fee for the year under review was Rs. 5.31 crores as against Rs.4.72 crores for the previous period.
- b. In addition to the above, during the financial year under review, Rs.4.08 crores (previous period Rs.3.65 crores) was paid / payable and provided for payment to the Municipal Corporation of Greater Mumbai by way of ground rent and other Municipal taxes.

### 8. Sponsored Races:

The Club has managed to renew the contract with the United Breweries Limited for the Indian Derby for two years. However, the United Spirits Limited regretted their inability to continue with the joint sponsorship with the United Breweries Limited. With the support of sponsors, the Club was able to have an excellent Indian Derby weekend in February 2018 that too with a significant reduction in expenditure whereby the Club was able to reduce the expenditure by about Rs.1 crore as compared to last year.

Total Sponsorship contributions for the Pune Meetings 2017 and Mumbai Meetings 2017-18 were lower at Rs.4.96 crores as compared to Rs.8.33 crores during the previous year. The main reason for the drop in sponsorship contribution is due to non-participation of USL in the Indian Derby as stated above. The Club is trying to get another non-competing brand in place of USL.

### 9. Stakemoney:

The Club had a successful Mumbai Racing Season 2017-18 which was extended by four additional race days and which concluded on Sunday, 29<sup>th</sup> April 2018. The Club reviewed the prospectus for the last 10 race days with particular reference to the stakemoney and having done so, increased the stakemoney by Rs.1 lakh in each class. The Club also decided to pay stakemoney to fifth place. Further, the Club decided to allow outstation horses to participate in Class I, II, III and 3 year old races. The Club had also revised the stakemoney for the Pune Meeting 2018.

The Club will have 6 races in a day with a provision to divide one race. The stakemoney for the divided races (both divisions) will be 75%.

### 10. Status on BJR Arbitration Case:

During the year the Hon'ble Arbitrator has passed order on Jurisdiction, Final Award and Additional Award in favour of the Club clearly stating that BJR's is neither a licensee nor a tenant of the Club and directed BJR's to make payments to the Club towards conducting fees for certain period, damages / compensation and interest while rejecting the counter claim made by BJR's. The Hon'ble Arbitrator further granted relief in terms of the Club's prayer for restraining M/s. BJR's, its agents, servants, etc. by an order and permanent injunction from entering into or remaining upon the restaurant area. The said Awards and its execution have been challenged by M/s. BJR's by filing Commercial Arbitration Petitions and Notice of Motion in the High Court, Mumbai. The Hon'ble High Court has stayed the Order of eviction passed by the learned Arbitrator on the condition that M/s BJR's do not create any third party rights in respect of the suit property in question during the pendency of the Petitions. However, as far as the Award relating to payment of amounts by M/s BJR's to the Club is concerned, the said Award is stayed on the condition that M/s BJR's deposit 50% of the awarded sum within a period of 10 weeks from the date of the High Court Order. M/s BJR's had filed an appeal against the aforesaid order dated 25th April 2018 of the Hon'ble High Court. They ultimately did not press the Appeal and sought leave to withdraw the same with liberty to file appropriate proceedings. The said Appeal was disposed off as withdrawn. The Club is now in the process of initiating and proceeding with execution application for recovery of the amounts due and payable by M/s BJR's to the Club.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunderand the Order issued under section 143(11) of the Act.

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making

those risk assessments, the auditor considers internal financial control relevant to the Club's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Club's Committee Members, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our qualified audit opinion on the financial statements.

### **Basis for Qualified Opinion**

{Except for matter referred to in (i) below, the other matters were qualified in our report on the financial statements for the previous year ended 31st March,2017}

- (i) As stated in Note 45, the Club has been advised that for the period prior to 23rd January 2018, the date when separate valuation rule has been added providing for tax on the gross value of the bet placed, Goods and Services Tax (GST) is payable on the commission and income from fixed odds betting retained out of the value of bets placed and not on the face value of the bet. Out of abundant caution, the Club has made payment of differential tax under protest up to the year-end for the period July 2017 to October 2017 of Rs.7,49,14,151. For the reasons stated in the note, the Club is confident of receiving refund of such differential tax paid under protest and, accordingly the said amount is included under 'Long term loans and advances' (Note 13). We are unable to express an opinion on recoverability of the amount.
- (ii) As stated in Note 26 (A)(i)(h) to the financial statements, no provision has been made for demand for contribution to ESIC relating to the period 1st April, 1989 to 30th June, 1997 and 1st July, 1999 to 30th June, 2004 and the estimated contribution including consequential interest thereon, for the period subsequent to 30th June, 2004, excluding time barred period, aggregating cumulative Rs. 2,70,00,000 (2016-2017: aggregating cumulative Rs.2,50,00,000). Considering decision of the Supreme Court for the other periods referred to in the Note, had the provision been made for the said cumulative amount, Deficit for the year would have been higher by Rs. 20,00,000 (2016-17: Rs. Nil), Deficit in Income and Expenditure Account as at 31st March, 2018 would have been higher by cumulative Rs.2,70,00,000(2016-2017: Deficit in Income and Expenditure Account as at 31st March, 2017 would have been higher by cumulative Rs. 2,50,00,000) and Other current liabilities as at 31st March, 2018 would have been higher by Rs. 2,70,00,000 (2016-2017: Rs 2,50,00,000).
- (iii) As stated in Note 41 to the financial statements, based on the legal opinion obtained in an earlier year the Club credited the amount forfeited of Rs. 10,00,00,000 to the Income and Expenditure Account for the year ended 30th June, 2008. Having regard to the status of the matter referred to in the aforesaid Note, we are unable to express an opinion as to appropriateness of the income recognised.
- (iv) As stated in Note 43 to the financial statements, the Club had credited to the Income and Expenditure Account for the year ended 31st March, 2016 "Commitment fees" aggregating Rs. 3,39,00,000 received from decorators / caterers appointed on the Panel of decorators/ caterers for the functions to be held at the Club's lawns at Mumbai Race Course during the period 1st July, 2015 to 30th June, 2016. In our opinion, having regard to the nature, purpose, terms and substance of the

transaction and the provisions of Accounting Standard 9 – 'Revenue Recognition', Commitment fees of Rs. 3,39,00,000 should have been accounted over the period 1st July, 2015 to 30th June, 2016 being the period of empanelment. As a result, Deficit for the year ended 31st March, 2017 was overstated by Rs. 84,75,000.

- (v) As stated in Note 44 to the financial statements, the Club had credited to the Income and Expenditure Account 'Conducting fees' aggregating Rs. 86,40,000 in respect of grant of rights to operate the food and beverage center at Mumbai Race Course based on the amount agreed for the period 1st April, 2016 to 12th June 2016 with the said Conductor as stated in the said Note. In our opinion, having regard to the nature, purpose, terms and substance of transaction and provisions of the Accounting Standard 19 'Leases' the total conducting fees aggregating Rs. 5,18,40,000 referred to in the said Note should have been accounted over the period from 1st April, 2015 to 31st March, 2017. As a result, Deficit for the year ended 31st March, 2017 was overstated by Rs 1,72,80,000.
- (vi) As stated in Note 38 to the financial statements, the Club has not reported the information on segment results, total carrying amount of segment assets and segment liabilities etc., required to be disclosed under the Accounting Standard 17 – 'Segment Reporting'.
- (vii) Without considering the matter referred to in paragraphs(i) and (iii) above, where we are unable to express an opinion, the matter referred to in paragraph (vi) above which refer to the non-reporting of the information required to be disclosed under the relevant Accounting Standard, had the observations made by us in paragraphs (ii), (iv) and (v) above been considered, Deficit for the year ended 31st March, 2018 would have been Rs. 1,39,51,086 as against the reported figure of Rs. 1,19,51,086 (Deficit for the year ended 31st March, 2017 would have been Rs. 12,80,60,097 as against the reported figure of Rs. 17,03,15,097), Deficit in Income and Expenditure Account as at 31st March, 2018 would have been Rs. 70,89,43,283 as against the reported figure of Rs. 68,19,43,283 (Deficit in Income and Expenditure Account as at 31st March, 2017 would have been Rs. 69,49,92,197 as against the reported figure of Rs. 66,99,92,197) and Other current liabilities as at 31st March, 2018 would have been Rs. 30,37,30,109 as against the reported figure of Rs. 27,67,30,109 (Other current liabilities as at 31st March, 2017 would have been Rs. 29,22,91,071 as against the reported figure of Rs. 26,72,91,071).

### **Qualified Opinion**

In our opinion and to the best of our information and according to the explanations given to us, except for the effects/possible effects of the matters described in the Basis for Qualified Opinion section above, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Club as at 31st March, 2018, and its deficit and its cash flows for the year ended on that date.

#### **Emphasis of Matter**

We draw attention to Note 37(b)(i) to the financial statements. As stated in the said Note, the lease of land at Mahalaxmi, Mumbai, has been renewed from time to time and was last renewed vide lease deed dated 7th April, 2004 for the period of nineteen years from 1st June, 1994 up to 31st May, 2013. The Club is confident that the lease will be

renewed further from time to time and, accordingly, the depreciation on buildings on leasehold land at Mahalaxmi, Mumbai, is provided over the useful lives referred to in Note 1(iii) to the financial statements and pending renewal of the lease, ground rent and extra ground rent {including towards hire of lawn, helipad charges, commitment fees and royalty/panel fees, as applicable, from decorators and caterers} for the aforesaid land has been provided by the Club on the basis of lease deed dated 7th April, 2004 referred to above.

Our opinion is not qualified in respect of thismatter.

(Referred to in paragraph 1 (h)under 'Report on Other Legal and Regulatory Requirements' of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **THE ROYAL WESTERN INDIA TURF CLUB, LIMITED**("the Club") as of 31st March, 2018 in conjunction with our audit of the financial statements of the Club for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Club's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Club considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Club's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Club's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "GuidanceNote") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Club's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Basis for Qualified Opinion**

According to the information and explanations given to us and based on our audit, material weaknesses have been identified as at 31st March, 2018 in the design and / or operating effectiveness of internal financial controls of the Club, relating tointernal financial controls over financial reporting respect of (i) assessment of the Club on there coverability of the Goods and Services Tax (GST) paid under protest (ii) non provision of demand for / estimated contribution for ESIC (iii) appropriateness of recognition as income the amount forfeited in the year ended 30<sup>th</sup> June, 2008 on termination of the agreement with the Conductor and (iv) non compilation and reporting of certain information required to be disclosed under Accounting Standard 17 – 'Segment Reporting', which has resulted in material misstatements in the Club's financial statements.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Club's annual or interim financial statements will not be prevented or detected on a timely basis.

### **Qualified Opinion**

In our opinion, to the best of our information and according to the explanations given to us, except for the effects/ possible effectsof the material weaknesses described in Basis for Qualified Opinion paragraph above on the achievement of the objectives of the control criteria, the Club has maintained, in all material respects, adequate internal financial controls over financial reporting and suchinternal financial controls over financial reporting were operating effectively as of 31st March, 2018, based on the

internal control over financial reporting criteria established by the Club considering the essential components of internal control stated in the said Guidance Note.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the financial statements of the Club for the year ended 31st March, 2018.

## ROYAL WESTERN INDIA TURF CLUB, LIMITED Notes forming part of the financial statements

### 1. Significant Accounting Policies:

(i) Basis of accounting and preparation of financial statements:

The financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, and the relevant provisions of the Companies Act, 2013 ("the 2013 Act"), as applicable. The financial statements have been prepared on accrual basis under the historical cost convention.

All assets and liabilities are classified as current if it is expected to realise or settle within 12 months after the Balance Sheet date.

(ii) Property, plant and equipment are stated at cost less accumulated depreciation. Cost comprises of purchase / acquisition price, non-refundable taxes and any directly attributed cost of bringing the asset to its working condition for its intended use.

Assessment of indication of impairment of an asset is made at the period-end and impairment loss, if any, is recognised.

Depreciation on property, plant and equipment [including buildings on leasehold land at Mumbai referred to in Note 37(b)(i)] has been provided on the written down value method as per the useful lives prescribed in Schedule II to the 2013 Act, except in respect of semi permanent stables at Pune, which are depreciated over its estimated useful life of 20 years based on technical evaluation.

- (iii) Long term investments are stated at cost. Provision for diminution is made to recognise a decline, other than temporary, in the value of investments. Current investments are stated at the lower of cost and fair value.
- (iv) Inventories are valued at the lower of cost and net realisable value. Cost of stores and provisions is ascertained on the weighted average method.
- (v) Trade and other receivables, loans and advances identified as irrecoverable or doubtful are written off or provided for.
- (vi) Revenue from horse race is recognised when the event takes place.

Income from services is recognised as and when services are rendered.

Conducting fee is recognised on accrual basis in accordance with the terms of the respective agreements.

Dividend income is accounted when right to receive dividend is established.

Interest income is recognised on time proportion basis.

Revenue is recognised only when it is reasonably certain that the ultimate collection will be made.

## ROYAL WESTERN INDIA TURF CLUB, LIMITED Notes forming part of the financial statements

(vii) Charity meetings: Certain expenses, computed on a pro-rata basis according to the number of days of racing which are considered as recoverable from charity meetings, are reduced from the corresponding figures in the Income and Expenditure Account. Such recoveries are however restricted to the surplus, if any, on individual charity meetings' account. The deficit i.e. excess, if any, of direct expenditure over direct income pertaining to individual charity meetings' account is charged to the Income and Expenditure Account.

### (viii) Employee benefits:

### (a) Defined contribution plans:

The Club's contributions to the Provident Fund and the Superannuation Fund are charged to the Income and Expenditure Account.

### (b) Defined benefit plans/Long term employee benefits:

Until the previous year, the Club accounted ex-gratia in lieu of gratuity paid/payable on the retirement of the casual/seasonal workers as and when the retirement of the respective worker took place. From the current year, the Club's liability towards exgratia in lieu of gratuity to the casual/seasonal workers on retirement is determined on the basis of actuarial valuation done by an independent actuary as at the period-end (Refer Note 33(2)(a)) and is funded with the existing gratuity fund for the employees.

The Club's liability towards gratuity and compensated absences is determined on the basis of period-end actuarial valuation done by an independent actuary as at the period-end.

The actuarial gains or losses determined by the actuary are recognised in the Income and Expenditure Account as an income or expense.

- (ix) Foreign currency transactions during the period are recorded at the rate of exchange prevailing at the date of transaction. All foreign currency monetary items outstanding at the period-end are translated at the period-end exchange rates. Exchange gains or losses realised and arising due to translation of monetary items outstanding as at the period-end are accounted for in the Income and Expenditure Account.
- (x) Entrance fees are fully accounted in the period in which the entrance fees or the proportionate part of the entrance fees as the case may be are received from the elected Members, and are credited to General Reserve.

#### (xi) Taxation:

Current tax is determined as the amount of tax payable in respect of estimated taxable income for the period.

The tax effect of the timing differences between taxable income and accounting income which are capable of reversal in one or more subsequent periods is recorded as deferred tax asset subject to the consideration of prudence or deferred tax liability. They are measured using the enacted or substantively enacted tax rates and tax laws by the balance sheet date.

Deferred tax assets arising on account of unabsorbed depreciation and carry forward of losses are recognised, only if there is virtual certainty of its realisation, supported by convincing evidence. Deferred tax assets on account of other timing differences are recognised only to the extent there is reasonable certainty of its realisation. The carrying amount of deferred tax asset is reviewed at each balance sheet date.

# ROYAL WESTERN INDIA TURF CLUB, LIMITED Notes forming part of the financial statements

Minimum Alternative Tax (MAT) credit asset is recognised only when and to the extent there is convincing evidence that the Club will pay normal income-tax during the specified period. The carrying amount of MAT credit asset is reviewed at each balance sheet date.

### (xii) Provisions and contingent liabilities:

Provision is recognised when the Club has a present obligation as a result of past event; it is probable that an outflow of resources embodying economic benefit will be required to settle the obligation and in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate of the expenditure required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimate. A contingent liability is disclosed, unless the possibility of an outflow of resources embodying the economic benefit is remote.

### (xiii) Leases:

- (a) Assets acquired under lease where the Club has substantially all the risks and rewards incidental to ownership are classified as finance leases. Such assets are capitalised at the inception of the lease at the lower of the fair value and the present value of minimum lease payments and a liability is created for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost, so as to obtain a constant periodic rate of interest on the outstanding liability for each period.
- (b) Assets acquired on leases where significant portions of the risks and rewards incidental to ownership are retained by the lessors, are classified as operating leases. Lease rentals are charged to the Income and Expenditure Account over the lease period.

#### (xiv) Use of estimates:

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of financial statements and the reported amount of revenue and expenses during the reported period. Differencebetween the actual results and estimates are recognised in the period which results are known/materialised.

### (xv) Accounting of jointly controlled operations:

In respect of its interests in jointly controlled operations, the Club recognises the assets that it controls and the liabilities that it incurs; and the expenses that it incurs and its share of the income that it earns from the joint venture.

### Share capital:

The Club is a Company limited by Guarantee. Every Member of the Club undertakes or guarantees to contribute to the assets of the Club, in the event of the same being wound up during the time that he is a member or within one year afterwards, for payment of the debts and liabilities of the Club contracted before the time at which he ceases to be a member, and of the costs, charges and expenses of winding up the same, and for adjustment of the rights of the contributories amongst themselves, such amount as may be required not exceeding one Rupee. Every Club Member is entitled to one vote at the general meeting.

- (g) In respect of writ petition filed by the Union representing the syce workers engaged by the trainers in the High Court, Mumbai against the order of the Industrial Tribunal, Pune which answered in negative the reference to the Tribunal made by the Union against the Club and The Western India Trainers Association demanding revision in wages from 1987, permanency, bonus, uniform, etc.- Amount not quantified (2016-2017: Amount not quantified).

(h) In earlier years, the Club received various demand notices from the Employees' State Insurance Corporation (ESIC) for contribution payable under the Employees' State Insurance Act, 1948 (the ESI Act), in respect of payments made to casual labour engaged on the race days (race day persons) for the period 1<sup>st</sup> July, 1978 to 30<sup>th</sup>June, 2004 aggregating Rs. 1,24,68,338. The demand notices received also indicated that on arrears of contribution, interest, etc. would be payable at the rates applicable. In respect of these demands, for the past period, the Club deposited Rs 49,08,215 in various applications pending in the ESI Court, Mumbai.

In respect of the period 1st April, 1989 to 30th June, 1997 and 1st July, 1999 to 30th June, 2004, applications are pending before the ESI Court, Mumbai. For the period 1st July, 1978 to 31st March, 1989 and 1st July, 1997 to 30th June, 1999, the Division Bench of the Supreme Court, in respect of three Civil Appeals filed by the Club against the Judgment of Bombay High Court dated 21st October, 2005 and appeal against common Judgment of ESI Court, Mumbai and Counter Civil Appeal filed by the ESI Corporation against the Judgment of Bombay High Court, vide its common Judgement dated 29th February, 2016 held that the Club is liable to make contribution along with interest at such rate as provided in the ESI Act and the Rules till the date of actual payment and the amount be contributed within a period of three months from the date of the Judgement. The Club on 30th March, 2016 filed four separate review petitions before the Supreme Court for review of Judgement dated 29th February, 2016. On re-consideration of the matter, the Club initially decided to withdraw the Review petitions and filed withdrawal application on 19th May, 2016, and on 30th May, 2016 made payment of contribution for the relevant period along with interest aggregating Rs. 1,42,46,299 (net of amount deposited with the ESI Court referred to above Rs. 15,12,523 for the relevant period). Accordingly the Club provided for contribution of Rs. 37,59,967 for the relevant period by debiting staff welfare expenses under 'Employee benefits expense' and for interest of Rs. 1,19,98,855 by debiting Interest expenses - others under 'Finance costs' in the Income and Expenditure Account for the year ended 31st March, 2016. Further out of abundant caution, from 21st February, 2016, the Club has started paying contribution to ESI Corporation for the Race day persons under protest to avoid future consequential liability of interest and charge of contempt of court without prejudice to rights and contention of the Club.

Subsequently the Club has been legally advised that the Club has strong case to challenge the coverage of race day persons under ESI as they are already in full time employment outside in the covered establishments. Based on this, on 11<sup>th</sup> July, 2016 the Club filed an application in the Supreme Court seeking permission of the Supreme Court to withdraw the application filed on 19<sup>th</sup> May, 2016 for withdrawal of the Review petitions. The Divison Bench of the Supreme Court vide its order dated 30<sup>th</sup> November, 2016 dismissed the aforesaid Review petitions. The Club was then legally advised to file the Curative petitions against the aforesaid order dated 30<sup>th</sup> November, 2016 on the ground that Supreme Court has not laid down a correct law in the matter of coverage of persons who are employed with 2 employers at the same time and that the Supreme Court ought not to have imposed the ESI liability on the Club with retrospective effect from 1978 more particularly when they did not enjoy any benefits in the past. Based on the legal advise, the Club has during the year filed the Curative petitions referred above in the Supreme Court which are likely to be heard shortly.

Based on the legal advise referred to above, no provision has been made for demand for contribution relating to the period 1<sup>st</sup> April, 1989 to 30<sup>th</sup> June, 1997 and 1<sup>st</sup> July, 1999 to 30<sup>th</sup> June, 2004 and the estimated contribution including consequential interest for the period subsequent to 30<sup>th</sup> June, 2004, excluding time barred period, aggregating Rs. 2,70,00,000 (2016-2017 Rs. 2,50,00,000).

- (i) Matters relating to ex-employees pending in labour courts /industrial courts / civil courts/ High Court for reinstatement of services, recovery of back wages, etc. - Amount not quantified (2016-2017: Amount not quantified).
- Other matters Rs.95,000 (2016-2017: Rs.95,000).
- (ii) Other money for which the Club is contingently liable :
  - In respect of amount forfeited of Rs.10,00,00,000 under the Agreement referred to in Note 41, which was credited to the Income and Expenditure Account for the year ended 30<sup>th</sup> June, 2008.

The latest renewal was for the period of nineteen years from 1<sup>st</sup> June, 1994 up to 31<sup>st</sup> May, 2013 vide lease deed dated 7<sup>th</sup> April, 2004.

The Club vide its letter dated 18<sup>th</sup> March, 2013 has requested MCGM to extend the lease for a further period of thirty years with effect from 1<sup>st</sup> June, 2013. Further, vide letter dated 12<sup>th</sup> August, 2013 the Club has requested MCGM to expedite the renewal. The Club has received letter dated 28<sup>th</sup> October, 2013 from MCGM wherein it is stated that as the land under reference belongs to the State Government, a detailed report is already submitted to the State Government by MCGM for their orders and on receipt of which the Club will be informed accordingly. Subsequent thereto the Club has been following up the matter with the State Government. The Club is confident that the aforesaid lease will be renewed further from time to time. Accordingly depreciation on buildings on leasehold land at Mahalaxmi, Mumbai is provided over the useful lives referred to in Note 1(ii). Further, pending renewal of the lease, the Club has provided for ground rent and extra ground rent {including towards hire of lawn, helipad charges, commitment fees and royalty / panel fees, as applicable, from decorators and caterers} for the aforesaid land on the basis of lease deed dated 7<sup>th</sup> April, 2004 referred to above.

The Club submitted its reply dated 27<sup>th</sup> September, 2010 to the notice of the Enquiry Officer and submitted, interalia, that it has not committed any breach of the terms and conditions of lease deed and that the notice of termination of the lease of the Club dated 6<sup>th</sup> May, 2010 and the eviction proceedings are bad in law, baseless and untenable and therefore no order for eviction ought to be made and the termination notice dated 6<sup>th</sup> May, 2010 and the notice dated 23<sup>rd</sup> August, 2010 deserve to be and ought to be withdrawn.

Further, the Club vide its application dated 14<sup>th</sup> May, 2013 has requested for stay/ suspension of the enquiry proceedings during the pendency and final disposal of the arbitration proceedings between the Club and the Conductor referred to in Note 42 (a). The Enquiry Officer vide order dated 28<sup>th</sup> May, 2013 stayed the enquiry proceedings till the next date with liberty to re-open as and when asked for.

As stated in Note 42 (a), the Arbitration proceedings between the Club and the Conductor are concluded. The Learned Arbitrator passed Final Award dated 25<sup>th</sup> September, 2017 and Additional Award dated 17<sup>th</sup> January, 2018. The Conductor has filed commercial arbitration petitions in the High Court challenging the said awards which are admitted. By order dated 25<sup>th</sup> April, 2018, the Hon'ble High Court has stayed the order of eviction passed by the Learned Arbitrator on the condition that the Conductor does not create any third party rights in respect of the said property in question during the pendency of the petitions. The matter is pending final hearing in the High Court and is presently subjudice.

The Club is confident that it has good chances of success in the enquiry, if and when it re-commences.

Having regard to the nature of the Club's operations, the Club does not have more than one geographical segment.

- The Company has not entered into any related party transactions which are covered under Accounting Standard 18 "Related Party Disclosures".
- 40. In an earlier year, the Club had paid under protest, the additional ground rent of Rs.10,06,899 demanded by the Municipal Corporation of Greater Mumbai for allowing a political party i.e. Bharatiya Janata Party (BJP) to hold its convention on the open spaces leased to the Club by the Corporation. In the opinion of the Club, the said ground rent was recoverable from the BJP and accordingly the Club filed a suit in the Bombay High Court against the BJP for the recovery of the said amount, which was transferred to Bombay City Civil Court. The said amount was shown under "Other non-current assets" (Note 14) until the previous year.

During the year this matter was mutually settled and the Club has received Rs. 10,06,899 from BJP towards additional ground rent on 13<sup>th</sup> February 2018. Based on the consent terms executed by the Club and the BJP, the Bombay City Civil Court vide its Order dated 16<sup>th</sup> March 2018 disposed off the aforesaid suit.

41. In an earlier year, the Club entered into an agreement with another company (the Conductor) for development and construction upon its leasehold land of Golf Course, Hotel / Service Apartments, etc., subject to obtaining the lease approvals and other approvals.

Under the agreement, Rs.10,00,00,000 was received in an earlier year. Under the said agreement on the effective date i.e. the date on which the Municipal Corporation of Greater Mumbai (MCGM) grants its 'in principle' approval for the development, the amount of Rs.10,00,00,000 is to be treated as an interest free refundable security deposit. However, if for any reason whatsoever, the development cannot be commenced or carried out, the said amount shall stand forfeited as liquidated damages. Further, under the agreement the first installment of Rs.40,00,00,000 out of the further interest free security deposits was due on 22<sup>nd</sup> August,2004. However as the amount was not paid, as agreed by the Conductor the Club was entitled to receive interest on Rs.40,00,00,000 from 22<sup>nd</sup> August, 2004 till the payment of the said amount by the Conductor and further, the payment of interest was to be made by the Conductor on or before 22<sup>nd</sup> February, 2005 and thereafter at quarterly intervals.

As the Conductor failed to pay the above referred said sum of Rs.40,00,00,000 and interest thereon for the quarter ended 21<sup>st</sup> February, 2005 and thereafter, even after expiry of more than one year, the Club has given notice dated 22<sup>nd</sup> March, 2006 to the Conductor that the said agreement is terminated and the amount of Rs.10,00,00,000 paid by the Conductor to the Club stands forfeited. The Conductor has disputed the right of the Club to terminate the agreement and forfeit the amount and has subsequently vide its letter dated 6<sup>th</sup> May, 2006 invoked Clause 12 of the Agreement for Arbitration and requested the Club to agree to /or concur in the appointment of any of the three jurists named therein to act as a Sole Arbitrator. The Club

vide its letter dated 7<sup>th</sup> July, 2006 suggested the name of two other jurists for appointment of one of them as the Sole Arbitrator. The Conductor did not respond to the letter of the Club.

During the year ended 30<sup>th</sup> June, 2008 the Club was legally advised by an independent Senior Advocate that since the action of forfeiture of the amount of Rs.10,00,00,000 referred to above on termination of the agreement is legal and justified under the agreement, the amount forfeited belongs to the Club and accordingly, credited to the Income and Expenditure Account for the year ended 30<sup>th</sup> June, 2008.

Pursuant to the Arbitration Application filed by the Conductor under Section 11 of the Arbitration and Conciliation Act, 1996, the High Court of Judicature at Bombay has appointed a Sole Arbitrator and the Arbitration proceedings are in progress. The Conductor and the Club have filed their statements of claim and counter claim in the matter, respectively. Matter is pending for arguments before the Learned Sole Arbitrator.

42. (a) On expiry of the agreement on 30<sup>th</sup> June, 2008 with a party, the Club entered into an agreement dated 1<sup>st</sup> July, 2008 with the party as Conductor (hereinafter referred to as the Conductor) for catering in the Members' Enclosure at the Mumbai Race Course, for a period of 10 years commencing from 1<sup>st</sup> July, 2008 and expiring on 30<sup>th</sup> June, 2018, which shall at all times be co-terminus with the lease of the Club and also subject to the lease of the Club being renewed beyond 31<sup>st</sup> May, 2013.

In terms of the agreement, conducting fees on an annual basis was payable in advance. The Conductor had failed to pay conducting fees of Rs.3,25,00,000 for the second year term i.e. 1<sup>st</sup> July, 2009 to 30<sup>th</sup> June, 2010 which was payable on or before 1<sup>st</sup> July, 2009 despite the Club's demand by way of invoice dated 1<sup>st</sup> July, 2009 and thereafter repeated requests and demands. Further as the Conductor also committed various breaches of the agreement referred to above by carrying out certain unauthorised repairs and renovations work as intimated by the Municipal Corporation of Greater Mumbai and not rectifying the same, the Club vide its letter dated 28<sup>th</sup> November, 2009 terminated the above agreement.

Proceedings filed by way of Suits/Appeals/ Writ Petitions by the Conductors/ the Club are pending in the Bombay Civil Court/ the High Court, Mumbai/ the Small Causes Court at Mumbai.

Further, based on the Club's Arbitration Application, the Sole Arbitrator was appointed by the High Court, Mumbai. The Club and the Conductor filed their statements of claim and counter claim in the matter, respectively. The Sole Arbitrator vide his Order dated 12<sup>th</sup> May, 2017 dismissed the Conductor's application on challenge of jurisdiction under Section 16 of the Arbitration and Conciliation Act, 1996. The said Order inter-alia also states that the Conductor is not a tenant of the Club. The Sole Arbitrator vide his Award dated 25<sup>th</sup> September, 2017 directed the Conductor to make payments to the Club towards Conducting fees, damages/compensation and interest on such amounts due and rejected the counter claim made by the Conductor.

On the application made by the Club, the Sole Arbitrator passed an Additional Award dated 17<sup>th</sup> January, 2018 as to claims presented in the arbitral proceedings but omitted from the arbitral award, restraining the Conductor's entry into the Restaurant area. The said Awards and its execution have been challenged by the Conductor by filing Commercial Arbitration Petitions and Notice of Motion in High court, Mumbai. By Order dated 25<sup>th</sup> April, 2018, the Hon'ble High Court has stayed the Order of eviction passed by the learned Arbitrator on the condition that the Conductor does not create any third party rights in respect of the suit property in question during the pendency of the Petitions. However, as far as the Award relating to payment of amounts by the Conductor to the Club is concerned, the said Award is stayed on the condition that the Conductor deposits 50% of the awarded sum within a period of 10 weeks from the date of the High Court Order. The Conductor had filed an Appeal against the aforesaid Order dated 25<sup>th</sup> April, 2018 of the Hon'ble High Court. The Conductor did not press the Appeal and sought leave to withdraw the same with liberty to file appropriate proceedings. The said Appeal was disposed off as withdrawn. The Club is now in the process of initiating and proceeding with execution application for recovery of the amounts due and payable by the Conductor to the Club.

Pending final outcome of the matter, the Club has not accrued Conducting fees from 1<sup>st</sup> July, 2009 to 28<sup>th</sup> November, 2009 i.e. up to the date of termination and the amounts awarded under the Award dated 25<sup>th</sup> September, 2017.

- (b) The Club has received show cause cum demand notice/ statement of demand from the Commissioner of Service tax/ CGST and Central Excise to show cause as to why service tax should not be demanded and recovered in respect of Conducting fees relating to the period 2010-11 to 2016-17 post termination of the agreement referred in Note 42 (a) above, aggregating Rs. 3,93,22,254 (excluding interest and penalty) which is included under Contingent Liabilities Service tax matters in Note 26 (A)(i)(c) above. Based on the legal advice obtained, the Club is confident that no liability for service tax will crystallize on the Club in this respect.
- 43 During the financial year 2015-16, the Club received commitment fees aggregating Rs. 3,39,00,000 from the parties appointed on the Panel of decorators / caterers for the period 1<sup>st</sup> July, 2015 to 30<sup>th</sup> June, 2016 for the functions to be held by Members and others hiring the Club's lawn at Mumbai Race Course. The Club accounted commitment fees aggregating Rs.3,39,00,000 received from the parties for empanelment as Commitment fees from Decorators and Caterers on the panel under 'Other Club Activities' in the Income and Expenditure Account for the year ended 31<sup>st</sup> March, 2016.
- 44. In an earlier year, the Club entered into Conducting Agreement and subsequently in to Supplementary Conducting Agreement with the party as Conductor (hereinafter referred to as "the Conductor") for granting rights to the Conductor to operate the food and beverage center at Mumbai Race Course for the period up to 31<sup>st</sup> May, 2020.

On 8<sup>th</sup> June, 2017 the Club entered into Addendum to the Supplementary Agreement (hereinafter referred to as "the Addendum") wherein the Club and the Conductor interalia mutually agreed that (i) for the period 1st April, 2015 to 31st March, 2016, the Conductor will pay total Conducting fees of Rs. 4,32,00,000 plus service tax at applicable rate and this payment will be made within 7 days from the date of execution of the Addendum, (ii) for the period 1st April, 2016 to 12th June, 2016, the Conductor will pay total Conducting fees of Rs. 86,40,000 plus service taxes at applicable rate and the payment would be made within 7 days from the date of execution of the Addendum, (iii) for the period from 13th June, 2016 to 31st March, 2017 the Conductor will not pay any Conducting fees and (iv) On and from 1<sup>st</sup> April, 2017, the Conductor will pay Conducting fees at Rs. 23,00,000 per month plus service tax / Goods and Services Tax (GST) at applicable rate.

The Club accounted Conducting fees for the period 1st April, 2016 to 12<sup>th</sup> June 2016 Rs. 86,40,000 in the previous year, and Rs. 4,32,00,000 for the period 1<sup>st</sup> April, 2015 to 31<sup>st</sup> March, 2016 during the year ended 31<sup>st</sup> March, 2016, which was included in Conducting fees/Compensation for catering under 'Other Club Activities' in the Income and Expenditure Account of the respective years.

45. Goods and Services Tax Act 2017 (GST) was introduced by the Government with effect from 1st July 2017 by subsuming various indirect taxes and local levies including, inter-alia, certain taxes impacting the Club's activities such as Service Tax, Maharashtra Betting tax, Entertainment tax, etc.

As per the extant Notification No. 11/2017 dated 28<sup>th</sup> June, 2017 issued by the Government of India under the Central Goods and Services Tax Act, 2016, a CGST rate of 14% has been imposed on services provided by a race club by way of a totalisator or a license to a bookmaker in race clubs. Similar notifications have been issued by the Maharashtra state government under their respective SGST Acts making the total rate of GST imposed on betting on horse racing at 28% (14% CGST+14% SGST).

Club conducts Betting on horse races, inter alia, through totalisator system subject to rules specified by the Club and as per License granted by the Government of Maharashtra. The Services rendered by the Club are in the nature of organizing the betting where the club is entitled to earn a commission on account of totalizer's betting.

The Club has been advised that the amount of bet placed by a person cannot be treated as price payable for betting services since the Club is liable to return the winnings out of such amount. Value of supply for the services rendered by the club through the Totalisator system is the margin, commission, facilitation fees, income from Fixed Odd Betting, retained by it out of the value of bets accepted and not the face value of the bets. Accordingly Club had been discharging the GST on such value of supply for the services rendered and has filed the monthly Returns under GST in accordance with this stand.

By way of Circular No. 27/01/2018-GST dated 4th January, 2018 issued by the Government of India, it has been clarified that GST of 28% would be leviable on the entire bet value of any or all bets paid into the totalisator or placed with licensed bookmakers.

In view of the above circular, the Club decided, out of abundant caution, to make the payment of the differential tax under protest (for the period 1st July 2017 to 22nd January 2018) explaining the above stand in detail to the jurisdictional authorities; without admittance of the liability and reserving its right to claim the refund of the said differential tax paid.

In the backdrop of the circular referred above, the amendments were notified under GST and new entry of taxation @ 28% for Actionable claim in the form of chance to win in betting, gambling, or horse racing in race club is imposed. A separate valuation rule number 31A has also been provided for such activity and the tax is sought to be imposed on the gross value of the bet placed. These have come in to force with effect from 23rd January 2018 and have not been given retrospective effect.

The total differential tax paid, for the period 1st July, 2017 to 31st October, 2017, under protest as above up to 31st March 2018 is Rs 7,49,14,151 which has been shown included as recoverable under the head Long Term loans and advances (see Note 13 (c)(i). Remaining amount of Rs. 3,84,45,729 has been similarly paid under protest subsequent to the year-end by 6th June 2018.

The Club has been advised that the amendment made w.e.f. 23rd January, 2018 strengthens the stand of the Club since it proves that the GST Law prior to 23rd January, 2018 did not require levy of GST on gross value of the bet and in any case these amendments do not have a retrospective effect. In view of this refund of such differential tax paid under protest is admissible and the Club is confident of receiving this refund and therefore the refund shown as receivable as above is considered by the management as good of recovery. The Club is in the process of filing refund applications for these differential tax payments.

46. The figures for the previous year have been regrouped / restated where necessary to conform to the current year's classification.
