In case of a tie, wherever applicable, the horse/s to be rejected will be determined by ballot.

c) In Sweepstake races confined to maidens, rejection will be based on all stakes earned. In case of any horse/s being tied at this stage, the excess number of runners will be balloted out.

d) Only the Final Forfeit amount would be refundable in respect of any horse/s having been rejected from a Sweepstake race.

e) Any race with contribution towards stakes / sweepstake race may be divided, at the absolute discretion of the Stewards, provided the second race formed by such division finds a contributor who will put in the entire money equivalent to the total prize from the race Fund plus the original contributor's offer for the original race including Trophy. In the event such a new race is formed then the entry fees/forfeits paid in by non-acceptors shall be divided equally between the two races.

It is also clarified that the second race formed after such division can be named as per the wishes of the contributor of that division.

g) Norms for reframing of races which may be declared void:

There shall usually be a minimum of 6 (six) races on all Race Days. No void race/s need be reframed if the criteria of the Minimum number of races on a Race Day are met.

In order to meet the criteria of minimum number of races per Race Day as advertised, the void races shall be usually reframed (but not compulsorily) with the same conditions with fresh entries. Priority will be given to reframe races with the maximum number of acceptors (which were declared void) first. The entries for such newly framed race/s would close at 2.00 p.m. on the Day of the Acceptances.

The number of races may by and large be restricted to a maximum of 7 (seven) on all Race Days. While dividing races, races with the maximum number of acceptors will be divided first.
