By Order of the Committee

Secretary & CEO,
ROYAL WESTERN INDIA TURF CLUB, LTD.
Pedigrees and performances are supplied for the Sales Catalogue by Stud Book Authority of India as a service to Royal Western India Turf Club, Ltd. who are acting in their capacity as agents of the Vendors. The Vendors are solely responsible for the accuracy of all information concerning their horses (see Condition 17).

Write-ups appearing under the photographs of the Blue pages are as given by the vendors.

While every effort has been made to ensure the accuracy of the information contained herein, neither Stud Book Authority of India nor Royal Western India Turf Club, Ltd. accept liability for any loss resulting from any errors or omissions contained in the Catalogue details.

Bold-face is used for horses which have won or placed in races approved by International Cataloguing Standards Committee. Capitals denote a winner while placed horses are shown in upper/lower letters.

Grade.Group designators are used with following conventions:-

* For races run in India retrospectively without any cut-off year.
* For races run abroad, from 1971 and thereafter.
* No designators are used for American Stakes horses.

Examples: PHENOMENALE, won Nanoli Stud Derby, Gr.1, GERMANICUS, won S A Poonawalla Multi-Million, Gr.3, Exception, 2nd in Calcutta 1000 Guineas, Gr.3, Ice Floe, 3rd in Bangalore Summer Million, Gr.3, etc.

Nationality suffixes have been used consistent with the conventions outlined in ‘Foreword’ to Indian Stud Book, Vol. X; viz,

(a) Horses born in India do not carry any suffix; e.g. DANDIFIED, ROYAL GLADIATOR, etc.

(b) Horses which have never come to India also do not carry a suffix, irrespective of their movement abroad; e.g. BARATEA, POWER, etc.

(c) Horses which have been imported to India prior to 1976 are denoted with an asterisk as a suffix; e.g. GREY GASTON*, etc.

(d) Horses which have been imported to India after 1976 carry a country-code suffix; e.g. AMPERE[FR], EXCELLENT ART[GB], KINGDA KA[AUS], MULTIDIMENSIONAL[IRE], PERFECT STRIDE[GB], SURFRIDER[IRE], SPEAKING OF WHICH[IRE], SUSSEX[GB], etc.
Stakes earned by horses have been updated for races run in India upto 31st October 2019. Stakes won include place money in case of most of the recent performers. Foreign race results are gleaned from different sources and do not have a common cut-off date as regards updation.

Compilation of stakes earnings of horses (excluding Breeders’ Premium and Incentives) currently running in India has been computerised. The computerised records are continuously checked and all errors noticed in-house are rectified and hence it is possible that readers may come across horses whose earnings have decreased when compared to its previous figure. Any errors noticed may kindly be brought to our notice and they will be gratefully acknowledged.

With effect from 1 Nov 2010, horses which have placed 4th in Graded Races in India are not considered as having earned Black-type. Similarly, horses which have placed 4th in non-graded races have not been considered as having 'placed' with effect from that date.

Ownership details are as registered with the Stud Book Department as on 15th December 2019.
