- e) Any race with contribution towards stakes / sweepstake race may be divided, at the absolute discretion of the Stewards, provided the second race formed by such division finds a contributor who will put in the entire money equivalent to the total prize from the race Fund plus the original contributor's offer for the original race including Trophy. In the event such a new race is formed then the entry fees/forfeits paid in by non-acceptors shall be divided equally between the two races. It is also clarified that the second race formed after such division can be named as per the wishes of the contributor of that division.

No race with contribution towards stakes shall be split into more than two divisions as specified above.

- f) Division of Race/s, other than Sweepstake race/s, will be as under: -
- i) In terms races for 2 year olds (in 2024)/3year olds (in 2025) division shall be made only if the number of acceptors are or exceed 16 (Sixteen). In these races including divided races, excess number of acceptors beyond 15(Fifteen) or beyond the track safety limit over that distance shall be balloted out or the race will be divided as per the Rule in force.
- ii) In races for Class I, II & III division shall be made only if the number of acceptors are or exceed 16 (Sixteen). In all races including divided races, excess number of acceptors beyond 15 (Fifteen) or beyond the track safety limit over that distance shall be balloted out or the race will be divided as per the Rule in force.
- iii) In races for Class IV & V division shall be made only if the number of acceptors are or exceed 20 (Twenty). In all races including divided races, excess number of acceptors beyond 19 (Nineteen) or beyond the track safety limit over that distance shall be balloted out or the race will be divided as per the Rule in force.
- iv) A horse once balloted out will not be excluded by ballot in any race/s wherein it is an acceptor during the current meeting.

g) Norms for reframing of races which may be declared void:

There shall usually be a minimum of 6 (six) races on all Race Days. No void race/s need be reframed if the criteria of the Minimum number of races on a Race Day are met.

In order to meet the criteria of minimum number of races per Race Day as advertised, the void races shall be usually reframed (but not compulsorily) with the same conditions with fresh entries. Priority will be given to reframe races with the maximum number of acceptors (which were declared void) first. The entries for such newly framed race/s would close at 1.00 p.m. on the Day of the Acceptances.

The number of races may by and large be restricted to a maximum of 8 (eight) on all Race Days. While dividing races, races with the maximum number of acceptors will be divided first. In case of two or more races having the same acceptors, races will be divided in the order they are published in the handicaps, starting from the highest Class (Terms races will get preference over Handicap races at this stage). The excess number of acceptors shall be balloted out as per the norms published in the prospectus.

- (III) Races where the Trophies are donated will also be divided at the acceptance stage provided there are the requisite numbers of acceptors. However, the Stewards retain the right to reduce the Trophy value in the lower division at their absolute discretion.
- (k) In the event of a horse being entered for a race for horses qualified in a certain way and should such horse become ineligible owing to winning or transfer to another Class after the date of entry, the entry fee for any race for which a horse so becomes ineligible will be refunded.
- Should a horse become eligible after the closing of the entries; the horse can be entered on date and time the entries for the Day close.
- (l) The accepting of entries for all races advertised in this Prospectus is subject to the following two conditions, namely
- (i) That the Stewards reserve the right in connection with any race or races, should the conditions existing at any time so warrant, to cancel at their absolute discretion any race or races at any time before the actual running of the race or races, and

- (ii) The Stewards reserve the right in connection with any race or races, should the conditions existing at any time so warrant, TO REDUCE AT THEIR ABSOLUTE DISCRETION, THE AMOUNT/S OF THE PRIZE MONEY, entrance, forfeits and any other fees advertised to such extent as they may think fit before the closing time fixed by them for accepting the entries.

If the Stewards decide to cancel and/or alter a race with contribution towards stake on account of non-payment of the contribution agreed to by the concerned contributor, the Stewards shall be entitled to reduce the stake money for the concerned race, as they may in their discretion deem fit under the circumstances.

- (m) Special attention is drawn to Rule 41 (g) of the Rules of Racing, which reads as follows: -

“41. The Stewards of the Club have power at their discretion:-

- (g) To order the advancement or cancellation or abandonment or postponement of any race or Race Meeting and to sanction additional dates or frame new races for any Meeting and to make all such arrangements for the Meeting as they may at their sole discretion think fit.”

- (d) In the event of a horse having raced at a Meeting other than under R.W.I.T.C., Ltd Rules of Racing subsequent to having been handicapped under R.W.I.T.C. Ltd Rules, such horse shall be withdrawn from the race even after it having been accepted or declared to start.

- (e) **All Trainers are hereby informed that a race for which entries have closed, no change in Class with rating will be permitted at the request of the Owner/Trainer to enable that horse to be entered.**

Horses imported into this country as entires but subsequently gelded will however be permitted to be entered for and to run in races for which they may otherwise be eligible except such races by the conditions whereof they are expressly precluded from doing so.”

In all handicap races, unless the terms of the race specify otherwise, when the top weight exceeds 59 kg, (the lowest permissible top weight) and the bottom weight is above 50 kg, the weights will be lowered at Handicap stage to the extent where the bottom weight does not go below 50 kg. In case there is a horse handicapped at 50 kg the weights would not be lowered.

5. No entry will be received for any race except upon condition that it is subject to the Rules of Racing of the Royal Western India Turf Club, Ltd., and the General Conditions as published in this Prospectus and that all disputes, claims and objections arising out of such entry and/or the start and/or the running and/or the result of the race as in all other races under the Rules of the Club shall be decided by the Stewards and that their authority shall be supreme and their decision shall be final and shall not be liable to be questioned in any Court of Law.
